Sub. : Performance Of Your Product

Dear Sir,

We are regularly procuring S.S. Wire in 304 & 316 Grade and High Carbon Steel Wire with various tensile grade for our wire rope manufacturing process. We are very much satisfied with the quality of your product in all respects including timely delivery and competitive prices. Our product is also being appreciated by our customers all over India. We wish you to maintain the quality standards adopted by you & to further improve with the latest development as far as practical.

Thanks & Regards

Yours Sincerely

For Bharat Wire Ropes Ltd.

  
S. M. SHAH
